HOW TO USE OUR PARKING METERS
Pay-by-License Plate

Paying with Coin or Credit Card

Parking Meter

1 To activate the parking meter, press the red, yellow, or green button.

2 Enter your vehicle license plate number using the keyboard. Press the green button to confirm.

3 Choose your payment method:

Coin Payment

Insert coins into the coin slot until your desired time is displayed on the screen.

Credit Card Payment

Insert your card into the credit card slot. Alternatively, you can tap your credit card, Apple Pay, Google Pay or Samsung Pay on the contactless reader.

4 Press the green button to confirm your transaction.

5 Your receipt will print and be dispensed from the paper dispenser. Take your receipt.

6 There is no need to display your receipt on your vehicle dashboard. A cloud-based parking enforcement system recognizes your vehicle's license plate.
